It's difficult also to tell whether this is because they capture the voice of the author better or because they take too many liberties with the translation eg- the profusion of familiar English idioms unless you can also read the work in the original language, which rather defeats the point of having a translation. Traditional and non-traditional elements in Homer and the Epic Cycle.

Shippingratesandoptions,locallyandthroughouttheU.I tried researching it and it seems like the Hunchback thing might have been a mistake by a reader who either had a bad copy, or

didn't understand what they read. This tragic episode during the siege of Troy, sparked by a quarrel between the leader of the Greek army and its mightiest warrior, Achilles, is played out between mortals and gods, with devastating human consequences.
