She keeps knocking out these clever, insightful pieces, seemingly a couple a week. If only it were less obvious and preachy and rather more subtle and complex. Easy to read and Thirty Stories with each story having its own world and being worth the read.

I think 'Roar' touched on a wide variety of challenges faced by women and there

For me Roar is like a garden filled with the most Thirty Stories flowers, and this short story butterfly thoroughly enjoyed sampling each and every flower in this quite special short story collection. Want a Free Book?

It gives her away, here emotional state, beating loudly when her face tries to

The Woman Who Wore Pink there's an actual Gender Police that issues warnings and fines as people step Thirty Stories their prescribed gender roles, with all of one's interactions -- even down to the daily Starbucks order, being identified as either "penis" or "vagina".
