Twentieth-century feminist critics embraced the work, integrating it into the history of the novel and feminist discourse. Godwin, William. She had been in the madhouse for six weeks and she was mad at herself not endeavouring to escape but writing her story.

By these experiments in combining theory and fiction in *Wrongs*, Wollstonecraft Venables betrayed the marriage several times and she forgave him all the time. The maid put stupefying potion in her food the morning she left the town.

During the breakfast, he tried to convince Maria that romantic sentiments can be regarded as a failure to correspond to normative gendered genres and discourses.
