Sign In. As ludicrous as all this may sound, the roots of the restrictions were not, it must be noted, exclusively ideological.

In sum, this book combines a compelling argument with rigorous research to show that NGOs that wish to engage in legitimate activities within the community can be prevented from doing so legally, if the government disapproves of them, by being refused registration. Advertisement Hide. The Bulgarians, for their part, employed other lethal means—most notoriously, poison parasols. Some of the stories are completely out of context in terms of truth. Some of the stories are completely out of context in terms of truth. Most governments in Africa are not comfortable allowing the people they rule to make choices about governance and democracy.
