Our decision to focus on presidential discourse is largely pragmatic: most populism studies focus first on the politicians who lead these parties and movements, and presidents are the most relevant elite-level actors. Amrita Narlikar. Institutions and Democracy in Africa. Amrita Narlikar. According to this ideational conceptualization, the organizational features of populist movements and their structural preconditions are contingent aspects, which sometimes but not always accompany populism. After years as a small minority party, the DA is now seeking a platform that can reach beyond its traditional white, wealthy base. As is true in the other two countries, populist discourse appears selectively and is associated with only a few well-known leaders.

The disagreement among scholars yielded rich case studies but little in the way of Cite: Hawkins, K. Richard, and Gary G.
