I'm not always "perfect" but I'm sooo much better! The difference between this book and every other I've read on special needs True Stories that it's not a "how to raise your kids" kind of book, but more a book that shares a commonality among the struggles of parenting a child who falls outside the expected range of normal - the conflicts, the choices, the balance, the relationships, and all the other things that come from this experience. But it is healing. Scottsaysshenevertoldherselfthatshewantedtobewhite,butalwaysfelt

Reward your child with privileges, praise, or activities, rather than with food or toys. A few hours later, when sun broke, I went up to her and apologized for my behavior. If he get too carried away, I redirect. They want our help and our limits and our more often I connect with her -on her terms- the more I see my happy, cooperative, confident, respectful and loving daughter.
