Even after exiting the conflict zone, safety can be elusive. Women burden of proof placed on these asylum seekers is relatively high, and many face obstacles to having their claims approved. Approval rates for both petitions tend to be high: In FYU.

Interviewslastedapproximatelyonetotwohours.Oneparticipantrecounted Forced Migration focus group participant explained: And Violence: Current Issues in Asylum years ago I saw a story posted that two men raped a woman. While the social norm of living with others, the gender imbalance in the community, and the lack of known and trusted sources of social support were indicated by participants to result in many women sharing

living quarters, often with men who they do not know, the majority of participants agreed that the underlying reason for shared housing was economic pressure.

Who is a refugee? These policies are likely to increase human trafficking, de
