An insight shared by the author had significant impact on me and the way I view certain content in media. View all 3 comments. Buywithconfidence,excellentcustomerservice!. The store is extremely impressive and worth checking out, especially for fans of Latter-day Saint literature. I enjoyed reading his thoughts on some of the movies that I hadn't stopped to think of the deeper meaning before like Elf, Hotel Transylvania, or Madagascar, also included. I hope Jonathan is already working on the next installment. There is still a vast demand for wholesome entertainment. A great resource for those like me who want more information before picking a movie to see.
