V I Warshawski or Vic as her friends call her is like an old friend, I have been reading of her adventures since before the movie and have watched in my mind's eye as she has aged. That being said, this is nothing more than a page leftist political rant. No clues. A convoluted plot, V. How is this possible? But she's bored stiff by court life. I will be looking out for more from this author. my new realization about mysteries as fiction, I sheepishly acknowledge my gullibility and move on. So the vampires are playing a much different role.
