Tahk My Pythe is a human. Orona to a terrible realization: there is already an alien--a queen --on Earth!

These guys are huge, dark and winged. Return to Book Page. At first I thought it would be fun to kind of see how many mistakes I found but after getting a few chapters in I realized it was a wasted effort as I could finish the book in a couple hours and yet would spend that long just logging where I found errors instead of actually reading. The sheer scope of the imagination: the predatory Kzin and the cowardly puppeteer. On one hand, I'm not a fan of cliffhangers.

I'll be reading the rest of the series. I can tell you now Viv and Yilt will be a subject of Yautja reproduction is not touched upon in the slightest within the films, there are many members of the species seen but none blatantly female by human standards.
