I had a small area to work with, so I was skeptical, but the creative team at StyleGuard impressed me with their ingenuity. It is typical to see a Brisbane install completed in 3 days or

. The brilliance is in the simplicity. A Glass Pool Fence is easy to install. Ultimately a person must weigh what are the most important criteria when purchasing glass pool fencing. By using different size panels and adjusting the spacing between the panels, it's easy to do .

Breakages are rare unless extreme force is placed on the glass. If one panel broke, it would be a major repair to chip glass out of the channel and reset a new panel. Glass fence costs largely come down to how much glass you need.
